

GUIDELINES FOR POSTER PRESENTATION

The posters will be placed in groups covering the same session on Thursday 23 September 2021 at 17:00-21:00. The time for the optional 3 minutes presentation will appear at the website, which continuously will be updated.

IF YOU PARTICIPATE IN COPENHAGEN:

Bring a hard copy of your poster. The poster size should not exceed the following measurements: Width - 95 cm/ height - 200 cm. All posters should be legible from a distance of at least 3 m, so lettering, lines and drawings should be adjusted.

Poster set-up and dismantling

Poster numbers will be affixed to the poster board. Authors will be able to identify their assigned poster board by locating their poster number in a list to be posted onsite. Necessary material for the attachment of the poster to the board will be supplied onsite. Do not bring any other material. The organizers have no responsibility for the displayed poster material. Set-up and dismantling of the poster: To be announced.

Presentation on the poster session Thursday 23 September 17:00-21:00

If possible, all poster presenters will be asked to include 5 minutes presentation incl. questions. You will need to confirm.

For the 5 minutes oral presentation we will have a computer and projector (Microsoft operating system) to make your poster visible for all participants at the poster session. Therefore, we request you to bring a USB memory stick with your poster. You may have one slide of the printed PowerPoint poster, or maximum three PowerPoint slides, which illustrate your research. You have the option to e-mail your presentation to Jørgen Boesen, jorgenboesen@outlook.com, at least one week prior to the conference, so that there are no last-minute difficulties

IF YOU PARTICIPATE ONLINE:

Poster development as PDF-file

The message should be clear and understandable without oral explanation. Include a short and comprehensive review of the basic items from the study. You may divide the text into several clear sections: title, authors, introduction, methods, results, conclusions and major references.

ALL PRESENTERS (made available specifically for remote participants)

- PDF of your poster which will be printed (deadline September 1)*
- Promotion (option) 3 min video of the poster (deadline September 1)*

*If you attend the IVC remotely, the organizer will print a hard-copy of your poster with the following measurements: Width - 95 cm/ height - 200 cm. The video will promote your results and message and will be shown to the audience.
